Whether you envision your trip to Gozo to be more 'floating dinner on a sunset sailing trip' or 'clinging to the back of a Jeep as it tears across the spectacular Maltese landscape', Barbarossa Day Excursions will sort everything for you. With a wide range of tours on both land and sea, from fishing trips to full day safaris, the company were the first in Gozo to offer a dedicated excursion service. To this day the family-run offering provides a highly personalised level of care, acquired through over 45 years of experience in the sector and a dedicated team of certified staff offering high quality trips tailor-made to your requests.

The company is dedicated to personalised service, never embarking with more than 60 passengers (on a boat licenced for 100 persons) in order to ensure the level of care luxury travellers would expect. Guests are shown the real Gozo, where they can meet its people and experience its culture in a way no other tour company can offer you. One of the most popular excursions is the Combi tour, which takes guests to the monumental Gozo Cathedral, the mesmerising Salt Pans and the crumbling Neolithic Ggantija Temples, but there is also the option for private charters to ensure a truly unique tour that will satisfy more unique tastes and needs.
